

# THREE-MINUTE RAPID FIRE PRESENTATIONS

## AN EVENT FOR EARLY CAREER GEOSCIENTISTS AT AGCC 2018

Rapidly and effectively communicate your science to a diverse audience in just 3 minutes!

Event Sponsored by

### PRESENTATIONS

Each speaker has 3 minutes and 3 slides to communicate the core of their research or work in geoscience, engineering and related fields. Total time allocated to each presenter is 4 minutes (including question time), which includes a minimal introduction and speaker changeover.

### PRIZES

CSIRO sponsored prizes to attend a geoscience conference, fieldtrip or workshop. One prize in the **Student** category and another prize in the **Early Career Geoscientist** category. Prize recipients will be required to submit a 1 to 2 page report, with photos, on their professional development to the AGCC Organising Committee.

**3** minutes  
to make an impact

### ELIGIBILITY

Registered AGCC 2018 delegates who are current members of an AGC Member Organisation, undertaking a research degree or who are early career practitioners.

This does not prevent entrants also delivering posters or full papers in the technical session.

### APPLICATION TO PARTICIPATE

Interested persons are invited to submit their contact details by email together with a presentation title, and a single sentence description of the subject matter (about 10–15 words).

You do not need to submit an abstract in the AGCC 2018 to participate.

**Registrations close 30 August 2018**

**Register Now**
